# Essential benefit guide

Everyday care for one person - R199 per month

## What is included

- 2 discounted GP consultations a month
- Annual wellness check-up included
- 10% off clinic pharmacy items
- Online booking and records

## How to use your benefits

- Book online from your patient portal, or at reception, and mention your Care Plan.
- Your plan discounts are applied when you pay at the clinic or pharmacy.
- Your membership certificate and payment history are always available in your portal.

## Paying for your plan

The monthly fee of R199 is paid from the credit card you choose when you join. You can switch to another saved card, or cancel, at any time from your Care Plans dashboard.

## Good to know

A Care Plan is a clinic membership that reduces what you pay at this clinic. It is not hospital cover and does not replace a registered medical scheme. This is a sample document: benefits and prices are illustrative and are confirmed by the clinic.
