Family Plus benefit guide

Cover for the whole household - R549 per month

What is included

- Up to 2 adults and 4 children
- Unlimited discounted consultations
- Free child immunisation visits
- Priority same-day booking
- 20% off pharmacy and treatments

How to use your benefits

- Book online from your patient portal, or at reception, and mention your Care Plan.
- Your plan discounts are applied when you pay at the clinic or pharmacy.
- Your membership certificate and payment history are always available in your portal.

Paying for your plan

The monthly fee of R549 is paid from the credit card you choose when you join. You can switch to another saved card, or cancel, at any time from your Care Plans dashboard.

Good to know

A Care Plan is a clinic membership that reduces what you pay at this clinic. It is not hospital cover and does not replace a registered medical scheme. This is a sample document: benefits and prices are illustrative and are confirmed by the clinic.
